

# Praying For Christmas - Faith

*Almighty God, we pray for Christ to be born into these places of need...*

## **Sunday, November 27**

Faith, comfort and healing:

- for people with physical pain, illness, or injury
- for those who live with cancer
- for Scott, Mildred, \_\_\_\_\_...
- for those with chronic disease, or loss of function and independence

## **Monday, November 28**

Encouragement for parents of children who are ill  
Perseverance for those who care for others, including Ruth, the Johnsons, \_\_\_\_\_...  
Patience for adults caring for the needs of aging parents  
Faith to trust in God's provision for loved ones who are far from us.

## **Tuesday, November 29**

Father, we pray for Christ to be born in the hearts of our teens, so they see You as real. So they will rely on you when they feel as if there is no one else they can rely on.

For child-like faith in all of us, knowing how much we are loved by our Lord.

Faith for people with special needs as they wait on God's provision: Betty, Warren, Diane, Val, \_\_\_\_\_...

## **Wednesday, November 30**

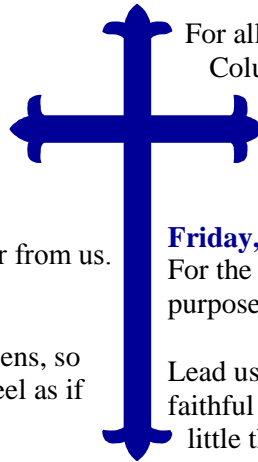

For family members and dear friends who do not know Christ as their Savior, let the seeds of faith take root. Let the experience of

this coming Christmas draw them to faith.

For Christians who are being tested in faith by trouble or temptation, let them find daily renewal and know God is with them.

## **Thursday, December 1**

Hopefulness for those who have lost loved ones this year. Fill their void and ease their pain through Your constant presence. For Sue & Luke, \_\_\_\_\_...

For all the people who lost loved ones in 9/11, the Iraq war, the Columbia tragedy, the sniper killings, or any way that people have experienced tragic loss. Give them the courage to face each new day, especially the moms and dads left behind with children.

## **Friday, December 2**

For the health and protection of my family and to lead the purposeful life God intends for me.

Lead us to be faithful spouses, faithful parents, faithful children, faithful employees, faithful friends. That we will be faithful in the little things as well as the big things.

## **Saturday, December 3**

Lord, give us a hunger to grow in Your Word so that we will be filled with unshakeable faith; a faith that can impact, serve, and bless others.

Give us an awareness of how our faith can make a difference for others this Christmas.

*Look next week for another edition of Praying For Christmas.*
